

THE
Two Year
BIBLE

Join us on a two year journey through the Bible. Every week includes five days worth of readings. This includes a semi-chronological walk through the Old and New Testaments at the same time. There are additional Psalms and Proverbs readings throughout which commonly include tie-ins to other passages that day.

Be sure to also follow along with our Weekly Glance episodes of our podcast, available at <http://www.twoyearbible.org>. These will supplement your readings and are designed to help you walk through these Bible passages.
